

Mr. Speaker, I want to take this opportunity to acknowledge the extraordinary contributions of one individual—Arnold S. Kohen—who has made a difference in working for peace and justice in East Timor. He is not often recognized but Arnold has worked behind the scenes for over 20 years raising the issue of East Timor within the U.S. Congress and throughout the world. He wrote a book documenting the epic struggles of Bishop Belo. Arnold's work has made a contribution to this historic day and is a model for me on how one individual can truly make a difference in the world. I also want to recognize the hard work and dedication of the East Timor Action Network.

The work in East Timor is not yet finished. However, yesterday was a day in which we all can rejoice because an oppressed people have now been set free.

TRIBUTE TO THE INLAND EMPIRE HARLEY OWNERS GROUP

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 22, 2002

Mr. CALVERT. Mr. Speaker, I am honored today to pay tribute to the Inland Empire Harley Owners Group as they prepare to promote West Coast Thunder, a large police escorted parade of motorcyclists to the Riverside National Cemetery to honor our military veterans on Memorial Day. In my congressional district of Riverside, California, we are fortunate to have numerous community service organizations that not only unselfishly give their time and talents to the community but find their own lives enriched in return. The Inland Empire Harley Owners Group epitomizes this and more.

The efforts of the West Coast Thunder committee with thousands of parade participants over the years, has brought great recognition, unparalleled resources and multitudes of volunteers to Riverside's Memorial Day Remembrance Ceremony. This event provides a compelling way for people to pay their respects as well as raise funds for the Riverside National Cemetery Support Committee. The visual impact of thousands of motorcycles, led by a full flag-bearing honor-guard, proudly gives those interred at the Riverside National Cemetery the recognition it richly deserves.

The Riverside National Cemetery is currently the second largest resting place for our veterans, with over 150,000 men and women from our armed services standing silent vigil with us today. Within a short time it is expected to be the largest cemetery in the National Cemetery system and within 50 years will have more than 1.4 million honored veterans.

The months of work preceding this event lead to a large gathering of veterans, family and friends desiring to honor those who gave the ultimate sacrifice for our great nation. Their tireless efforts and dedication to honoring our brave veterans is evident as thousands participate in the Memorial Day Ceremonies.

Mr. Speaker, I congratulate the Inland Empire Harley Owners Group for their dedication and service to our Nations veterans.

200TH ANNIVERSARY OF MILTON, NEW HAMPSHIRE

HON. JOHN E. SUNUNU

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 22, 2002

Mr. SUNUNU. Mr. Speaker, I rise today to honor a truly great American community, the town of Milton, New Hampshire, which will celebrate its 200th Anniversary on June 11, 2002.

Located in Strafford County in eastern New Hampshire, Milton epitomizes the magnificent beauty that dominates the New Hampshire landscape, and Milton's nearly 4,000 residents are quick to boast about the pristine waters of its three ponds and the Salmon Falls River, which is overlooked by scenic Teneriffe Mountain. Milton is also home to one of New England's more unique museums, the New Hampshire Farm Museum, whose historic structures, open spaces, and vast collection of farm tools showcase New Hampshire's rural and agricultural roots.

Originally a part of Rochester, New Hampshire, Milton became incorporated as a new town on June 11, 1802. Milton's town founders held the first formal Town Meeting at the Lieutenant Elijah Horne house on August 30, 1802. Today, Milton continues to adhere to the proud New England tradition of the Town Meeting, where neighbors gather to debate and vote on issues that impact their daily lives.

I congratulate the Town of Milton on its 200th Anniversary, and I extend my best wishes to all the citizens of Milton in celebration of this wonderful milestone.

JOSEPH LIMPRECTH, U.S. AMBASSADOR TO ALBANIA

HON. CHRISTOPHER H. SMITH

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 22, 2002

Mr. SMITH of New Jersey. Mr. Speaker, we have received the news that United States Ambassador to Albania, Joseph Limprecht, died suddenly of a heart attack on Sunday, May 19, 2002, while hiking with his wife and colleagues in northern Albania.

Although I did not have the opportunity to meet Ambassador Limprecht, I did correspond with him on an issue of mutual concern—the trafficking of Albanian women and children into sexual slavery in Europe.

With porous borders and more than its share of criminals, Albania is used by traffickers as a key transit point to Italy. As a source country, young Albanian women are lured into the hands of traffickers and even kidnaped from their home towns or villages. The Ambassador was well aware of this tragedy and pressed for greater law enforcement to stop trafficking networks as well as greater assistance to the victims. Indeed, in keeping with the point of my correspondence with him, the Ambassador made sure U.S. assistance would go to a shelter for repatriated Albanian trafficking victims similar to one created for women found in Albania and waiting to be repatriated to their country of origin.

Beyond that, the Ambassador worked hard in the three years he spent in Albania in helping the country recover from its many ills, in
